

CONSENT TO VOLUNTEER PARTICIPATION

I, after reading (or listening to the reading) of this document and having had the opportunity to talk and clarify my doubts with the researcher in charge, I agree to participate in a research, **A COMPARATIVE STUDY OF GEOGRAPHIC DATA DISTRIBUTION VISUALIZATION TECHNIQUES** as a volunteer. I was duly informed by the researcher about research procedures involved, as well as the potential risks and benefits of my participation. I was assured that I can withdraw my consent at any time without incurring any penalty.
